Marine Diesel Technician

Description:

Jefferson Beach Yacht Sales (JBYS) is seeking a full-time skilled and experienced marine diesel technician. Candidate must have a strong diesel engine mechanical background and work well independently. JBYS services and repairs new and used Sunseeker, Viking, Princess and Absolute yachts, as well as many other makes and models. We mainly work on vessels in the 40' to 80' range. Full-time employees receive health, vision, dental and life insurance, along with paid holidays and paid vacation time.

Qualifications:

- 3 years diesel engine experience and or manufacturer education/training (certified techs are given top consideration)
- Overall mechanical troubleshooting and diagnostic skills
- Ability to perform routine and annual maintenance on diesel engines
- Must have valid Driver's License
- Must have all the required tools to perform work
- Communication and light computer skills

General Responsibilities:

General responsibilities noted below, and not limited to:

- Stay up to date with manufacturer and industry training sessions and keep certifications current
- Work in a very clean and organized manner so that boats are left in better condition than when the work started
- Report and coordinate with Service Manager to complete all tasks assigned
