**Jefferson Beach Yacht Sales (JBYS)** is seeking a skilled and experienced service technician to work out of our headquarters, St. Clair Shores, MI location. Candidate must have an electrical and mechanical background and work well independently.

JBYS services and repairs new and used Sunseeker, Viking, Princess and Absolute yachts, as well as many other makes and models. We mainly work on vessels in the 40' to 80' range. Full-time employees receive health, vision, dental and life insurance, along with paid holidays and paid vacation time.

### **Qualifications:**

- 3 years of directly related experience in marine electrical, (Software, Satellite, Starlink, Navigation, Audio/ Visual) certified techs are given top consideration)
- Experience and ability to prep boat newly manufactured vessels for customer use utilizing prep sheets and checklists.
- Boat handling skills are ideal but not necessary.
- Knowledge of electrical AC and DC distribution, PLC controls, reading schematics, etc.
- Ability to diagnose and install water systems, plumbing, pumps, tankage, hydraulics.
- Knowledge of marine engines, exhaust systems, running gear, steering gear
- ABYC certification preferred, but not required.
- Overall troubleshooting and diagnostics of electronics
- Must be comfortable working on the water, comfortable with heights and small spaces.
- Must have good driving record and valid driver's license.
- Must have all the required tools to perform work.

### **Responsibilities:**

- Prep new vessels for delivery utilizing prep sheets and checklists.
- Test vessels systems and run boat to ensure it is up to standards for delivery.
- Must be able to travel nationwide for approximately one week or less occasionally, depending on delivery schedule.
- Install, troubleshoot, and repair: all systems onboard as required and in accordance with ABYC standards and manufacturer specifications.
- Travel to marinas, different locations, and storage units as required to perform repairs.
- Stay up to date with manufacturer and industry training sessions.
- Work in a very clean and flawless manner so that boats are left in a better condition than when the work started.
- Report and coordinate with Service Manager to complete all tasks assigned.
